

# Your Fireplace Shopping

## Quick Reference Checklist

### 7 questions to fill in so we're all on the same page

Before you visit us or another supplier (because yes, we concede people visit other suppliers on occasion), take a few minutes to fill in this quick reference sheet. It will help keep you on track when you visit our showroom filled with beautiful fireplaces and stoves, most of which you'll probably want to take home, and it will help us direct you to the best options for your family.

**1. Why do you want a fireplace?** (ambiance, entertaining, heat, just because...)

---

**2. Where will your new fireplace live?** (main floor outside wall, master bedroom inside wall, etc...)

---

**3. What fuel do you want to use and why?** (consider what is available in your area, and at what price)

---

**4. How much heat do you need?** (if you're more interested in ambiance, you won't need as many BTUs)

---

**5. Are you replacing an existing fireplace or starting from scratch?**

---

**6. What does your space look like?** (if possible, bring a few pictures to your supplier)

---

**7. Good luck finding your perfect fireplace or stove. We know you'll love it!**
